Workshop is for Secondary School Principals, BOT members, Health & PE staff, Guidance Counsellors and other interested staff:

- ♦ Rachael Dixon, UC Education *Plus*:
Alcohol education ideas for years 9/10
- ♦ Whole School approach to alcohol education
- ♦ The teenage brain and alcohol
- ♦ Effective interventions
- ♦ Benefits of delaying alcohol consumption
- ♦ The importance of role modeling

"Nathan's energy, enthusiasm and knowledge is wonderful to experience. I feel excited to go back to my workplace with so much knowledge that really could make a difference" - Resource Teacher for Learning and Behaviour

"Best use of our staff professional development budget that I could think of. This information has really ignited an interest in our teaching staff to think about 'brain appropriate' ways to engage their students" - School Principal
